AWARD

This is a reference made to this Tribunal by the Govt. of Goa, Daman & Diu, by its Order No. 28/15/82-ILD dated 23rd Sept., 1982. The Schedule annexed to the Order of Reference reads as follows:

"Whether the action of the Management of M/s. Goa, Daman & Diu Cooperative Fisheries Federation Limited, Panaji Goa in terminating the services of Shri Minanath T. Tari Marketing Inspector, with effect from 25-7-1981 is legal and justified?"

If not, to what relief the workman is entitled to?"

2. In his statement of claim the workman states that he was employed with the employer society as an Inspector w.e.f. 1-7-1977 on probation for a period of 6 months. He was later confirmed by confirmation order dated 20-4-1978 w.e.f. 1-4-1978. By notice order dated 7-12-1978 the workman was redesignated as Marketing Inspector and fitted in the grade of the said order. From the date he joined the services of the employer society, the workman has discharged his duties to the best of his ability and efficiency and to the satisfaction of his superiors. He has a clear record in his service and not a single memo was issued to him during the entire tenure of his services. However, on 25-6-1981 the Chairman of the Employer Society issued a letter to him dated 1-6-1981 stating that the society is no more interested to continue with the services of the workman, as his services were found "uneconomical". The latter further stated that he was given one month's notice and that his services shall stand terminated on 25-7-1981. The workman wrote to the Chairman of the Society to withdraw the said letter of his termination and allow him to continue in service but the employer did not accede to his request. The workman raised a dispute with the employer and demanded reinstatement with full back wages and continuity of service. As there was no reply, intervention of the Labour Commissioner was sought, conciliation proceedings took place but ended in failure. Due to the non-co-operative attitude of the employer's representative. It is submitted that the termination of the services of the workman is without a reasonable cause and for no misconduct. Hence, it is illegal and unjustified. Besides, it was effected without paying his legal dues including his retrenchment compensation. It is further submitted that the workman was appointed by the Board of Directors of the employer society. However, while terminating the services of the workman, no decision to that effect was taken by the Board of Directors. The Chairman has acted beyond his jurisdiction in issuing the said letter of termination. Bye-Law 39(ii) of the Employer Society states that it is the power of the Board of Directors to appoint employees and to frame Rules and Regulations governing the condition of service. Therefore, the power of terminating the services rests in the Board of Directors and no other person can exercise such powers. He has prayed that he be paid a compensation of not less than Rs. 75,000/- on account of illegal termination of service or be reinstated with full back wages and continuity of service. He has further prayed for an adequate compensation for mental and physical torture he sustained due to illegal termination.

3. On the date fixed for the Written Statement of the employer, Employer's rep. put forth a proposal for amicable settlement of the matter between the parties. Such proposal was considered by the other party and finally a settlement was arrived at, the terms of which were filed before the Tribunal with a prayer that consent award be passed accordingly.

4. I have perused the settlement terms filed by the parties, by virtue of which the workman has been paid the sum of Rs. 13,000/- towards all his dues and has dropped his claim for reinstatement. Such terms are just and fair to both the parties and, hence, I accept them and pass the following order:

ORDER

Consent award in terms of the settlement, which shall form part of this award, is hereby made, and the matter is disposed off. No. order as to costs.

Dr. Renato de Noronha
Presiding Officer
Labour Court.
